February/March 2011

Important Updates

SAVE THE DATE: Rochester RHIO Annual Meeting, April 12th at 3pm, at 150 State Street, Rochester.

ADVANCED INTEROPERABILITY: The RHIO team is working with 7 EHR vendors to expand their connectivity with regional physician practices. Later this year, many physicians will be able to send electronic referrals, provide the community Health Information Exchange (HIE) with a Continuity of Care Document (CCD) for their patients, and order labs electronically.

IMAGE EXCHANGE PLUS: What could be better than instant access to medical images from providers throughout the 11 county region? The RHIO is adding access to emergent images, as well as providing the functionality for physicians to download images into their PACS. This premium service will be available later this year.

SENIOR SERVICES SUMMARY: Physicians who treat older patients in Monroe, Wayne and Yates counties may see a button on their Patient Summary Page of the VHR for the Senior Services Summary. By clicking this button, physicians have access to vital community information about their patients, including nutritional evaluation, case management information and medication lists.

NEW ePrescribing Option:

Physicians in the Rochester region now have access to a simple, inexpensive option for eprescribing. The Rochester RHIO's eRX option is CMS certified for the Medicare eprescribing incentive. Using the same platform as the Elysium EHR, patient information is pre-loaded and medication history is available. We are offering this solution for \$50.00 per physician per month.

Call the RHIO at 877-865-7446 or email info@grrhio.org for more information.

VHR User Tip:

The Image Exchange is at your finger tip!

Login to the VHR, and download the eHealth Viewer. (Upper left corner- you only do this once)

1. Find your patient.
2. Click on the Radiology tab.
3. Find the report for the image you need to access.
4. Click on the report to open.
5. Click the image icon to view the image.

Need training in the best way to use the VHR in your practice? Call the RHIO Support team at 877-865-7446.
